## **Health and Safety Policy Statement**

The policy of our company Steel Dynamics UK Limited is committed to prevention of injury and ill health, and continual improvement in OH&S management and OH&S performance for all interested parties related to the company. This H&S Policy Statement provides the framework for setting and reviewing OH&S objectives.

The defined scope of the OH&S management system for Steel Dynamics UK Limited is: Management of hazards and risks associated with stockholding and supply of metals, and processing by laser, water jet, hi-definition and plasma profile cutting, and CNC machining on site at Units 1, 8, and 9 Walker Park, Blackburn BB1 2QE.

We will provide suitable and sufficient information, instructions training and supervision as is necessary to ensure the health and safety of our employees and this shall include suitable and sufficient welfare, sanitary and working facilities as required in line with the standard.

All employees at Steel Dynamics UK Limited have a duty to ensure that they work in a safe manner and that their acts or omissions do not cause harm to themselves or others in the vicinity. Employees will be encouraged to bring to the attention of the management any concerns regarding any health and safety issues. The company are committed to the consultation and participation of workers, either directly or through workforce representatives.

Steel Dynamics UK Limited recognises its duty of care towards others that are not in our employment. These people include visitors and contractors who have reason to come into contact with our business activities and premises. These persons will be given suitable and sufficient information and instructions to ensure their health and safety. The actions of visitors and contractors will be controlled in such a way so as not to cause harm to our employees or themselves.

The company is committed to at least comply with applicable legal requirements and with other requirements to which the company may subscribe that relate to applicable OH&S hazards, so to ensure that the Policy is implemented and maintained the person named below will ensure that sufficient resources, both financial and physical are available so that the Policy and its arrangements can be implemented effectively.

We believe that this Health and Safety Policy complies with the requirements of the Health and Safety at Work etc. Act 1974 and will be subject to a regular review at the company's management review meetings or when there are any significant changes. The policy statement will be reviewed and resigned annually if no changes have occurred in the interim.
